

GLOBAL PEACE PETITION

To the Honourable the President and Members of the Legislative Council in this present Parliament assembled –

The humble Petition of the undersigned residents of South Australia respectfully sheweth:

That we live in internationally turbulent times and are witness to the destructive consequences being endured by those living in war zones throughout the world. We believe every member of every community needs to come together in support of global peace.

Your petitioners, therefore, request that your Honourable House pass a motion recognising the human right of all people to a safe existence and acknowledging the importance of Global Peace—learnt through the devastation of past conflicts.

**PLEASE NOTE: ONLY SOUTH AUSTRALIAN RESIDENTS CAN SIGN THIS PETITION AND
IT IS A PUBLIC DOCUMENT ONCE TABLED IN THE PARLIAMENT**
